

Viva San Bartolo!

Resurrection's Sister Parish in El Salvador

Fr. Graciano, o.f.m., pastor of San Bartolo will be the homilist at all masses Nov. 1 & 2 and a second collection will be taken for San Bartolo

San Bartolo is a huge parish that serves a population of 125,000 on the outskirts of San Salvador. This is a very poor community; where necessities such as water, electricity, proper sanitation and housing are lacking. In the absence of social services and welfare for the poor, the parish strives to respond to the needs of the people in their every day lives, helping to provide many basic services such as education, day care and health care.

Your generous support in the second collection vitally assists Fr. Graciano and the Franciscan Community in meeting the needs of the poor in San Bartolo. For more information, please contact Gina Maclean at 410-465-9973 or g.maclean@verizon.net.
