A surprising demonstration will amaze you! Samson -He's one the bibles most colorful characters. Proud, impulsive, vengeful...but was he real? Skeptics say no... but silent witnesses recently unearthed from ancient Jericho say otherwise...

Video 5-[Tower of Babel-Fact or Fiction?](#)-A spiraling tower rises above the ancient city of Babylon-until God scatters both its bricks and builders...Fact or fiction? Could such a structure really have been built? If so, how did it vanish without a trace...or has it? What about the Bible's claim that all races and languages sprang from one remote corner of Mesopotamia? Consider startling new evidence and the chilling news that the tower may again be under construction... as was prophesied thousands of years ago. [Shroud of Turin-Fraud or Evidence of Christ's Resurrections?](#)-Is it the burial cloth that covered Jesus in the tomb? A silent witness of the greatest event in history? Or is it a fraud? Bible, The

Charlton Heston Presents; Shot on location in the Holy Land, this incredible production is more than great adventure come to life. It is a walk through history itself.

In the beginning...before there was a written language, the stories in the Bible were told, to people sitting around a campfire in the dark, listening to the tales of what had happened and what was yet to come. Now, Academy Award-winning actor Charlton Heston recaptures all the passion, the power, the drama, and the sheer beauty those first storytellers passed on to us with his own dazzling new exploration of the greatest stories ever told. Volume III- 'Jesus of Nazareth,' tells of the amazing life and teaching of Jesus Christ. Here is the story of His humble birth in a Bethlehem manger...of the wise men bearing gift...and Herod's fierce, futile search for the child. You'll hear of Christ's baptism in the River Jordan and of His search for the disciples. Witness Jesus' temptation in the wilderness, the Sermon on the Mount, the healing of the blind, and the overthrow of the moneychangers in the temple.

Journey to Easter

A Lenten Program for the Family. Franciscan Communications prepared video. Live.

Easter, the feast of the Resurrection, is a celebration of eternal life... of our faith in the promises of Jesus. It is a time to rejoice in the newness in our hearts and in the earth. This new life was bought for us at great cost-the suffering and death of Jesus. As Catholics we commemorate this mystery during the 40 days preceding Easter which we call LENT. This video had been prepared to help you on your Lenten journey toward Easter with greater insight and participation. Your host is Father Anthony Scannell. He guides you, in his warm, informal way, through scripture, drama, story and music to a more personal and prayerful understanding of what Lent and Easter are all about. Judas: Traitor or Friend

A History Channel
Documentary.

Studies suggest Judas Iscariot may have been a political activist against the Romans. As a disciple he witnessed Jesus perform vast miracles, he may have hoped that a revolution would occur and that Jesus would be the long-awaited Messiah to establish an earthly kingdom. Frustration may have consumed Judas as Jesus expressed His destiny as humanity's savior who would die and be resurrected. Judas was the only disciple from Judea and may have felt like an outsider, however according to the Gospel of John, Jesus entrusted Judas with the honored position of treasurer. At Passover, Jesus announced that one would betray Him. Was it always Jesus' plan that Judas betray Him? Why Judas? John the Apostle call Judas a thief. (John 12:6) This is a wonderful video looking into the life of the man who name is synonymous with betrayal.

A Jr. High Kinda Guy

By Pat Hurley

The purpose of these videos is to reveal the major issues facing junior high and middle school students today. As a Christian, I have been concerned for many years that the young people in our churches were leading a "double life;" one at church and another one with their unbelieving friends. So, I thought I would go to the junior high campus and talk openly about the issues facing those who do not necessarily believe Jesus Christ is Lord. Because of the rules regarding "religion" in schools, I was not able to share Christ in these meetings. However, it was eye-opening to see the response of many unbelievers who realized through these messages that they need help. Is excellent for the Christians in your youth group to realize that about their friends too!

Lord, I Believe
Part of *The Animated Stories from the New Testament* series.

A collection of three stories where Jesus teaches His disciples through word and deed the magnificent power of faith. Witness the kind Roman centurion who kneels before the Master and pleads for his dying servant. The servant is healed instantly because he asked in faith with nothing doubting. Jesus' words of comfort are as powerful as His miracles. Saying, "weep not," He raises the son of the poor widow of Nain. Lastly, a man with weakened faith begs the Master to make his son whole. Jesus answers, "all things are possible to him that believeth," and heals the child. Giving hope to anyone willing to say, "Lord, I believe," Jesus teaches that if our faith is only the size of a tiny mustard seed, nothing shall be impossible.

The Lord's Prayer
Part of *The Animated Stories from the New Testament* series.

Everyone who watches *The Lord's Prayer* will know how to have the great power Jesus promised every believer. On many occasions Jesus taught His disciples the power of prayer through parables and His personal example. After Jesus' resurrection and ascension into Heaven, His disciples find their faith greatly tested when Peter is arrested and cast into a Roman prison. As Herod plots Peter's death, the believers gather together and follow the example that Jesus taught. Through faith and persistent prayer, Peter's chains are broken and the Angel of the Lord opens the prison gates. The united prayer of the righteous saves Peter and is still a power on Earth without equal.

[Magdalene, Mary- The Hidden Apostle.](#)
An A & E Biography.

In December of 1945, Egyptian farmers discovered an ancient jar filled with papyrus books that were nearly 2000 years old. The books were hidden to prevent other Christians, who viewed their content as heretical, from destroying them. In these ancient manuscripts, Mary Magdalene's life was given clarity. In 1969, the Vatican revised its official position, stating it was in error to deem Mary the sinner as she was portrayed in the Gospel of Luke. Watch this well done video and draw your own conclusions.

[Mission to Love](#)
Dramatization of real events.

Anyone who has ever made a commitment to love someone knows that even this most life-giving of human experiences leaves us open to the realities of separation and death. Jay Todd makes this discovery many times. In his work as a Peace Corps volunteer, he suffered the many small deaths of the ego that accompany introduction into a new culture. His body rebelled against the food. His tongue struggled with a strange language. At sea in a culture, his pride hurt. Jay faced these deaths and was granted a special kind of new birth: the love of his adopted son, Tim. There are elements of powerful symbolism in this film. Viewing it can help open a group to searching for the symbolism in their own lives.
